

Assignment 6 – ITDEV-181

Activities

- 1) Case Project 5-2 on page 216 of text. Take a screen shot of your program running in the emulator. Include the screen shot in your submittal. (45%)
- 2) Case Project 6-3 on page 267 of text. Take a screen shot of your program running in the emulator. Include the screen shot in your submittal. (45%)

Deliverables

- 1) Zip all files from exercises 1 & 2 (including all project files and the screen shots) into one .zip file and submit in Blackboard. Include your name in the name of the zip file. You should include all the files your instructor needs to open and run your project. (10%)
